Hi Liz,

Hope you had a good weekend!

I'm checking in to see if there are any handouts for the listening sessions in Portland. If so, I would need to have them as soon as possible so that I can get them copied in time. I'd like to send them via FedEx but if not, then Regina and I will carry them with us.

Thank you.

SUPPLEMENTARY INFORMATION: Executive Order 13792 of April 26, 2017 (82 FR 20429, May 1, 2017), directs the Secretary of the Interior to review certain National Monuments designated or expanded under the Antiquities Act of 1906, 54 U.S.C. 320301–320303 (Act). Specifically, Section 2 of the Executive Order directs the Secretary to conduct a

review of all Presidential designations or expansions of designations under the Antiquities Act made since January 1, 1996, where the designation covers more than 100,000 acres, where the designation after expansion covers more than 100,000 acres, or where the Secretary determines that the designation or expansion was made without adequate public outreach and coordination with relevant stakeholders, to determine whether each designation or expansion conforms to the policy set forth in section 1 of the order. Among other provisions, Section 1 states that designations should reflect the Act's "requirements and original objectives" and "appropriately balance the protection of landmarks, structures, and objects against the appropriate use of Federal lands and the effects on surrounding lands and communities." 82 FR 20429 (May 1, 2017).

In making the requisite determinations, the Secretary is directed to consider:

(i) The requirements and original objectives of the Act, including the Act's requirement that reservations of land not exceed "the smallest area compatible with the proper care and management of the objects to be protected";

(ii) whether designated lands are appropriately classified under the Act as "historic landmarks, historic and prehistoric structures, [or] other objects of historic or scientific interest";

(iii) the effects of a designation on the available uses of designated Federal lands, including consideration of the multiple use policy of section 102(a)(7) of the Federal Land Policy and Management Act (43 U.S.C. 1701(a)(7)), as well as the effects on the available uses of Federal lands beyond the monument boundaries;

(iv) the effects of a designation on the use and enjoyment of non Federal lands within or beyond monument boundaries;

(v) concerns of State, tribal, and local governments affected by a designation, including the economic development and fiscal condition of affected States, tribes, and localities;

(vi) the availability of Federal resources to properly manage designated areas; and

(vii) such other factors as the Secretary deems appropriate. 82 FR 20429 20430 (May 1, 2017).

In making the determinations about the monuments, the Secretary is directed to consider:

- i. the requirements and original objectives of the Antiquities Act, including the Act’s requirement that reservations of land not exceed “the smallest area compatible with the proper care and management of the objects to be protected;”
- ii. whether designated lands are appropriately classified under the Act as “historic landmarks, historic and prehistoric structures, [or] other objects of historic or scientific interest;”
- iii. the effects of a designation on the available uses of designated Federal lands, including consideration of the multiple-use policy of section 102(a)(7) of the Federal Land Policy and Management Act (43 U.S.C. 1701(a)(7)), as well as the effects on the available uses of Federal lands beyond the monument boundaries;
- iv. the effects of a designation on the use and enjoyment of non-Federal lands within or beyond monument boundaries;

- v. concerns of state, tribal, and local governments affected by a designation, including the economic development and fiscal condition of affected states, tribes, and localities;
- vi. the availability of federal resources to properly manage designated areas; and
- vii. such other factors as the Secretary deems appropriate.

How will the information from the listening sessions be gathered and utilized?

- ✓ Meetings will be recorded and transcribed.
- ✓ Comments will be collected in writing.
- ✓ Copies of the transcripts will be available at www.bia.gov.
- ✓ Your comments, ideas, and suggestions will be used by DOI in its review of the 27 monument designations and the subsequent recommendations to the President.

What will happen after these listening sessions?

- ✓ Transcripts and written comments will be analyzed and recommendations reported to the Assistant Secretary – Indian Affairs and the Secretary of the Interior.
- ✓ The Secretary will provide an interim report to the President summarizing the findings of the review with respect to Proclamation 9558 (Establishment of the Bears Ears National Monument) and other monument designations the Secretary determines appropriate for inclusion and provide recommendations for such Presidential actions, legislative proposals, or other actions within 45 days of the date of the Executive Order (June 10, 2017).
- ✓ The Secretary will provide a final report to the President summarizing the findings of the review and provide recommendations for such Presidential actions, legislative proposals, or other actions within 120 days of the date of the Executive Order (August 24, 2017).

Questions to help guide the conversation:

1. Are there other monuments in addition to the 27 being currently reviewed that should also be reviewed because they were designated after January 1, 1996, without adequate public outreach and coordination with relevant stakeholders?
2. Comments on the application of the seven factors (i-vii) listed in the Executive Order 13792 that the Secretary of the Interior is to use in reviewing the 27 monument designations. Please share other factors that should be considered.
